Cat5e Cable and Connectivity

(APAC)

CommScope is announcing the discontinuation of Category 5e copper cable and connectivity solutions. The market for Category 5e has decreased significantly as customers move to Category 6A and Category 6 solutions. CommScope will focus on support for Category 6A and Category 6 solutions. Where appropriate, Category 6 solutions will be recommended when Category 5e solutions are requested.

Discontinuation and Replacement Information:

Cable

Last time buy orders will be accepted until Nov 30th,2026, working with inventory on hand until stock is depleted. All orders will be handled on a FIFO basis.
